- Title Page
- Table of Contents
- Primary Source Document
- Minimum of 12 Pictures
- Bibliography
- Notes / Note Cards

# Formatting

- Size 12 font
- Double-spaced
- Page numbers
- Remember to put names on essays and annotations

# Title Page

- Title of Project
- Name of the Document
- Student(s) Names

# Table of Contents

- All pages must be numbered.
- In the table of contents, list the starting page numbers for each section:

Introductory Essay – p. 2

Primary Source Document – p. 6

Annotations – p. 20

Concluding Essay – p. 25

Bibliography – p. 29

# Primary Source Document

- Print / Copy the sections you are using.
- Add page numbers
- Add “annotation numbers”

# Pictures

- Add them to the annotations.
- Choose annotations that would benefit from a picture. A photo of a person, a map of a place, etc.
- You do not need citations

# Bibliography

- Every source you used needs to be cited (MLA format) in the bibliography.
- Combine your sources with your partner into one alphabetical list.
- The quality of your sources will factor into this grade.

# Notes / Note Cards

- The purpose of this is to show me your research.
- You don't need to have notes on every source – just the 2 books and 2 periodicals.
- 2 note cards for each source, or ½ page if you are typing them.
- Turn these in separately – they don't need to be page-numbered or listed in the table of contents.
